

The Hudson River Valley Art Workshops strives to be a pet-friendly establishment because we know pets are an important part of the family!

Should you want to bring your pet with you, you'll be asked to read and adhere to the following policies:

- Service animals accompanying persons with disabilities are always welcome.
- Pets may not be left unattended in the Inn rooms unless they are securely crated.
- Barking dogs may not be left unattended in the Inn rooms under any circumstances.
- As there are dogs who live on the property and the possibility for multiple guests to bring pets, pets must be friendly with other animals and of course, other people.
- You must pick up after your pet. If you need plastic bags, we are happy to provide them. There is a scooper tool set in front of the Main Inn, next to a disposal can as well as one near the picnic table outside of the garden near the Carriage House.
- Dogs must be leashed at all times when they are outside of your room.
- Pets are **not allowed** in the Main Inn or in the Carriage House Studio.
- Pets are not allowed on the room furniture unless the furniture is covered with a protective covering. We are happy to provide you with pet blankets to use for this purpose while you are here.
- If your pet is disruptive to the workshop experience (for example barking or whining near the studio), you may be required to find alternate accommodations for your pet. There are nearby facilities which offer doggy day care and boarding. (*Catskill Mountain Bed N Biscuit is about 20 minutes south of us and they can be reached at (518) 678-0800. They offer both daycare and boarding services.*)
- Pets must either be crated or out of your room while housekeeping visits your room each day. Housekeeping is typically performed between 9AM-12PM.
- A pet fee of \$75 per stay is required for each pet.

Pet owners will be held responsible for any damage to the Inn rooms and/or property caused by their pets.
